

Capital Blue Cross  
Credentialing Department  
Attestation of CAQH Completion and Required Documentation

In order for Capital Blue Cross to complete Credentialing and process your application in a timely manner, please attest to the CAQH requirements below by checking the box next to each item. **(NOTE: This form is required for each practitioner joining the group. Not required for hospital-based providers.)**

For **ALL** provider types:

- Work History section of CAQH has been complete to include last 5 years of employment and/or explanation of gaps in employment or a CV is included capturing entire work history.
- CAQH application has been updated to include the new group for which the practitioner is being added.
- CAQH application has been attested to within the last 30 days with current supporting documents uploaded and Capital Blue Cross is authorized to view the CAQH application.

For **CRNPs** or **CNMs**, please also respond to the following:

- I attest that the provider has a Collaborative Agreement with a Capital Blue Cross participating provider, and this document will be provided to CBC's Credentialing Department upon request.

For **PACs**, please also respond to the following:

- I attest that the provider has a Supervisory Agreement with a Capital Blue Cross participating provider *within the same group*, and this document will be provided to CBC's Credentialing Department upon request.
